FROM: Ted Benfield (WESU)

Sorry I haven't written sooner, but I just got back from an uneventful vacation.

I have received the Bud commercials and am running them every ½ hour in the specified time periods.

I am only running them on A.M. because our FM station is a non-comercial (i.e., educational) station. Right now we are running about 12 spots per day, Monday through Friday.

When will we know if we will be paid for these spots?

I trust you had a good vacation- will see you April 22 if not sooner.

Sincerely,

Ted Benfield

P.S. Have not received the UNEFEX posters as of April 5, 1972.
